## **DIVIDEND ANNOUNCEMENT**

On 28 April 2023, the Annual General Meeting of HELLA GmbH & Co. KGaA resolved that the disposable profit of the short fiscal year 2022 in the amount of € 320,858,176.17 be used to pay a dividend of € 2.88 on each no-par value share entitled to receive a dividend (which corresponds to a total amount of € 320,000,002.56 for 111,111,112 eligible shares) and that the remaining amount of € 858,173.61 be carried forward to new account.

The dividend will be paid from 04 May 2023 onward, in general after deduction of 25% capital gains tax and a 5.5% solidarity surcharge thereon (totaling 26.375%) and, if applicable, church tax on the capital gains tax. Payment of the dividend will be effected by the depository banks via Clearstream Banking AG, Frankfurt am Main.

In the case of shareholders resident in Germany, the dividend will be paid out without any deduction for capital gains tax, solidarity surcharge and, if applicable, church tax if shareholders have submitted a certificate of non-assessment ("Nichtveranlagungs-Bescheinigung") issued by their local tax office to their depository bank. The same applies in full or in part to shareholders who have submitted an exemption order ("Freistellungsauftrag") to their depository bank, as long as the exemption amount stipulated on the form has not already been exhausted by other capital gains.

In the case of foreign shareholders, the capital gains tax, including the solidarity surcharge, may be reduced on submission of an application for refund in accordance with the applicable double taxation treaty between the Federal Republic of Germany and the respective country. Applications for reimbursement of the reduced amount must be received by the Federal Central Tax Office, 53221 Bonn, by December 31, 2027, at the latest.
